

Create the perfect soundtrack
for your wedding day

Live guitar music that turns moments
into memories, as featured in The
Times magazine wedding section.

I will give my very best on your wedding
day to create the perfect soundtrack for
your most beautiful moments, making
your memories truly unforgettable.

Dates are often reserved well in
advance, so it is best to secure your
booking as early as possible on the
email or website above.

Thank You

Edina Balczo

*Award-winning
Wedding Guitarist*

About

My name is Edina and I am an UK-based award-winning guitarist. I have been playing over 25 years and I've developed a unique style that blends flamenco, classical, and Spanish guitar traditions.

I can perform classical guitar and movie soundtracks during your wedding ceremony, then switch to lively Spanish guitar music for the drinks reception to create a joyful and uplifting atmosphere.

Wedding Packages

Bronz

From £400

Live Guitar music during the drink reception.

Silver

From £550

Live Guitar music during the ceremony and drink reception.

Gold

From £700

Live guitar music during the ceremony, drink reception and wedding breakfast.

Diamond

From £1200

Live guitar music during the ceremony and drinks reception, followed by either a guitar duo or a dancer during the wedding breakfast.

Song Suggestions

Bridal Entrance

- Canon in D
- Bridal March
- Spanish Romance
- La Valse d'Amelie
- The Piano
- Can't Help Falling in Love

Exit Song

- Lambada
- Stand by me
- La Bamba
- Game of Thrones

Every wedding package includes a special performance of a song of your choice, even if it's not already on my setlist.
